

網絡安全及如何應對 跨境股票交易研討會

16/6/2017 – Shenzhen Cybersecurity Seminar

由滙港資訊有限公司、香港華為國際有限公司、能益有限公司聯合主辦，神州數碼控股有限公司協辦的【網絡安全及如何應對跨境股票交易】研討會於二零一七年六月十六日在深圳華為總部園區順利舉行。

此次研討會就近期熱門話題金融科技網絡安全，特別是由香港證監協會於五月初頒布的二十項網絡保安指引進行重點討論。

本次研討會很榮幸能夠邀請到 香港交易及結算所有限公司 集團副首席資訊技術總監 **梁松光先生**、香港電腦學會 會長 **梁建文先生**、國泰君安證券股份有限公司 董事總經理 **李光杰先生** 以及 i-Total Security Consulting Ltd 董事及首席顧問 **老嘉名先生** 作為嘉賓講者出席研討會。另外，滙港資訊、能益及華為代表亦有在研討會上進行分享。

此外，當日共有三十多位來自中港澳三地銀行及券商的企業代表出席，進一步了解銀行及券商應對網絡安全最新趨勢。滙港資訊、能益以及華為亦在會上分享了應對香港證監會網絡保安規定的最新券商解決方案。

PRESS RELEASE

Infocast successfully held a “Cybersecurity Seminar” on Friday 16th June 2017. The whole-day seminar was a collaboration between Infocast, Long Data, Huawei and Digital China, and was held at Huawei's Shenzhen Training Center. The seminar focused on the rising issue of FinTech cybersecurity, in particular the Securities & Futures Commission's (SFC) “20 Cybersecurity Guidelines on Internet Trading” that was announced in early May.

Special guest speakers were invited to give keynote speeches, including **Mr. Richard Leung** – Deputy CIO/CTO of Hong Kong Exchanges & Clearing Ltd. (HKEX), **Mr. Michael Leung** – Chairman of the Hong Kong Computer Society (HKCS), **Mr. Alen Lo** – Principal Consultant of i-Total Security Consulting Ltd., and **Mr. Jeff Lee** – Managing Director of Guotai Junan Securities (HK) Ltd. Presentations were also delivered by Infocast, Long Data and Huawei.

Over 30 industry practitioners attended the seminar to learn about the latest trends in cybersecurity for securities brokerages. Furthermore Infocast, Long Data and Huawei also showcased their newest solutions enabling brokerages to meet the new SFC guidelines.
